opponents, the eighth season in program history with a .500 or better record against AP foes and the first since 2007-08. The five wins were tied for the second-most in a season in program history and the most since 2003-04.

Two of K-State's ranked wins came against AP top-10 opponents: at second-ranked Iowa and home against 10th-ranked Texas, the first time since 2011-12 in which the Wildcats picked up at least two wins against AP top-10 teams. As part of its 65-58 win at then second-ranked Iowa, K-State was the only team to defeat the Hawkeyes in Carver-Hawkeye Arena this season and held Iowa to its lowest point total in the Caitlin Clark era.

According to ESPN Stats & Info, K-State became the first NCAA Division I women's basketball program in the last 25 years to be unranked and defeat the same AP top-5 team in consecutive seasons. K-State and Indiana were the only teams to defeat Iowa twice in the last two seasons.

This was the 18th 20-win season for Mittie in his 32 seasons as a head coach. The 26 victories by the 2024 Werner Ladder Naismith Women's Coach of the Year Late Season Watch List member were the most by a Mittie coached team at K-State. He has tallied 30 winning seasons in his 32 years as a head coach, including nine in his 10 seasons in Manhattan.

The Wildcats registered a 13-5 mark in the Big 12 and a third-place finish in the league. The 13 wins were the most for the program since the Big 12 switched to an 18-game in 2011-12 and the most since K-State won the Big 12 in 2007-08 with a 13-3 mark.

In his ninth season leading K-State, Mittie led the program to its seventh WNIT appearance, reaching the third round of the postseason event and finishing with a 19-17 overall record.

Prior to the start of the season, the Wildcats retooled its offensive attack after learning of the season-ending surgery for All-American Ayoka Lee in early September.

At the conclusion of the season, newcomer Gabby Gregory earned her first career All-Big 12 First Team honor by averaging a career-best 18.5 points per game, which ranked second in the Big 12. maneuvered K-State to its 17th NCAA Tournament appearance and the fourth during his time in the Little Apple, with a 20-13 overall record and 9-9 Big 12 record despite playing one of the most difficult schedules in program history as the Wildcats faced a school record 11 opponents ranked among the top-15 in the Associated Press poll.

Along its journey in 2021-22, Mittie saw his Wildcats set the school record for free throw percentage in a season (.762), breaking the previous record by 19 percentage points.

The 2021-22 squad garnered a number of accolades, led by consensus All-American and unanimous All-Big 12 selection Ayoka Lee and the freshman duo of Serena Sundell and Brylee Glenn. Lee achieved new heights, as she became the second player in program history to average a 20-10 double-double for the entirety of a season. Lee was the first player to achieve a season stat line that included 725 or more points, 325 or more rebounds and 90 or more blocks.

Sundell and Glenn collected Big 12 All-Freshman Team honors, while Sundell was also named an honorable mention recipient to the All-Big 12 team. Sundell was the first K-State freshman to achieve 325 or more points, 175 or more assists and 100 or more rebounds.

Mittie steered K-State through four season-ending injuries in the 2019-20 season which depleted the roster by early December. However, the Wildcats recorded the sixth straight winning season with a 16-13 overall record and a 10-8 mark in Big 12 action which tied for fourth in the Big 12, winning seven of their last 10 games in the league.

The Wildcats had their 2020 postseason destination derailed by the COVID-19 pandemic, which canceled the 2020 Phillips 66 Big 12 Women's Basketball Championship, the 2020 NCAA Tournament and the 2020 Postseason WNIT.

Mittie's teams are known for playing a stifling defense and the 2019-20 season was among the best. As a team, the 2019-20 squad tied for the third most blocked shots in program history (163) and set the school record for blocks per game (5.6 bpg).

The Wildcats held opponents to a .374 field goal percentage and 64.7 points per game. The .374 opponent field goal percentage was the second-lowest in Mittie's tenure at K-State.

On the floor, Mittie's 2019-20 squad was highly decorated and was paced by All-Big 12 First Team selections Ayoka Lee and Peyton Williams and All-Big 12 Honorable Mention recipient Angela Harris.

Kansas State concluded the 2016-17 season with 23 wins, the most since the 2008-09 season. The Wildcats made the 15th NCAA Tournament appearance in program history and advanced a round in the tournament for the 11th time. Mittie was the first women's basketball coach in school history to guide the program to two NCAA Tournament appearances in their first three seasons.

This was the 15th 20-win season for Mittie in his 25 seasons as a head coach. The 23 victories were the most for a Mittie coached team since he guided TCU to 23 wins during the 2007-08 season. He has tallied 24 winning seasons in his 25 years as a head coach. The NCAA Tournament appearance for Mittie was the 18th postseason trip for one of his programs, including his fourth straight.

The Wildcats registered an 11-7 mark in the Big 12 and a fourth-place finish in the league. The 11 wins were the most since K-State won the Big 12 in 2007-08. This was the third straight season under Mittie that K-State improved its league win total from one season to the next.

During the 2016-17 season, Mittie achieved a milestone as he recorded the 500th win of his career with a 70-57 win at Omaha on December 4, 2016. He reached the 50-win mark in his 81st career game at Kansas State with a 68-54 win over Texas Tech on January 7, 2017. He was the fifth K-State women's basketball head coach to achieve 50 or more victories.

Mittie mentored several players to postseason honors in the 2016-17 season. Heading the list were 2017 All-Big 12 First Team honorees, Breanna Lewis and Kindred Wesemann.

In addition to earning her second straight All-Big 12 First Team citation, Lewis garnered 2017 Women's Basketball Coaches Association (WBCA) All-Region 3 honors, the first for the program since the 2012-13 season. Lewis reached the 400-point, 225-rebound mark for the second straight season with 471 points (13.9 ppg) and 280 rebounds (8.2 rpg).

In addition to rebounds, she led the Wildcats in a number of statistical categories, including: field goals made and field goal percentage (205-of-367; .559), blocked shots (59, 1.7 bpg) and double-doubles (9). She ranked 12th in the Big 12 in scoring, third in field goal percentage, fourth in rebounding and sixth in blocked shots.

Lewis, who was the first player in program history to be named to the Big 12 All-Defensive Team, earned her third straight league defensive honor by anchoring one of the Big 12's top defenses in the 2016-17 season. She was responsible for 41.3 percent of K-State's blocked shots and set the school record for blocked shots in a three-year span with 238.

In mid-April, Lewis was selected with the 23rd overall pick in the 2017 WNBA Draft by the Dallas Wings. Lewis was the first WNBA selection during Mittie's tenure at Kansas State.

In the 2016-17 season, Wesemann earned All-Big 12 First Team honors for the first time in her career by averaging a career-high 13.9 points per game (474 points) and buried a career-high 90 three-pointers on 256 attempts. Her 90 connections from beyond the arc ranked 23rd in the nation and the most by any player in the Big 12 this season.

In late-March, Wesemann represented Kansas State at the 29th Annual State Farm College Slam Dunk and 3-point Championships in Phoenix, Arizona. Wesemann captured both the Marines Women's 3-Point Contest title and the Shoe Carnival Battle of the Champions 3-Point crown.

In addition to the strong efforts on the court, Mittie's team was also solid in the classroom. The Wildcats tied for the league lead on the 2017 Academic All-Big 12 Teams with eight honorees including seven on the first team. Shaelyn Martin

garnered College Sports Information Directors Association (CoSIDA) Academic All-District VII honors, the program's first recipient since the 2010-11 season.

In the 2015-16 season, the Wildcats were selected for the 14th NCAA Tournament appearance and first since the 2011-12 season. K-State ended the season with a 19-13 overall record, which included a 56-51 win over George Washington in the first round of the NCAA Tournament. Kansas State's defense continued to shine in the 2015-16 season, while the Wildcats' offensive numbers also rose. K-State blocked 157 shots a season ago, which ranks fourth in school history. The Wildcats led the Big 12 in steals per game with 9.0 (289 steals).

On offense, K-State averaged 64.4 points per game which was the highest scoring average for the program since the 2007-08 season. The Wildcats drained 218 three-pointers during the 2015-16 season and ranked third in the league in 3-point field goals per game (6.8). This was the first time since the 2012-13 season that K-State made 200 or more 3-point field goals in a season.

For their efforts on the floor in 2015-16, Lewis was named K-State's first All-Big 12 First Team selection since the 2012-13 season and tallied her second straight All-Big 12 Defensive Team honor. Joining Lewis was Kindred Wesemann who was named to the All-Big 12 Second Team after her career year.

In his first season in Manhattan in 2014-15, Mittie guided the program to an overall record of 19-14 and a second round appearance in the Postseason WNIT. The eight-win improvement from the previous season was the third highest improvement from one season to the next in program history. Mittie opened his K-State tenure with 10 wins in the first 11 games, becoming the second coach in program history to begin his or her tenure with 10 wins in 11 games (Judy Akers, 1968-69).

Mittie helped reshape K-State's defense in his first season, as the Wildcats finished the season ranked 44th in the nation in scoring defense (58.2 ppg allowed), 12th in steals (11.3 spg) and 42nd in blocked shots (4.7 bpg). K-State's defense ranked first in the Big 12 in steals, second in scoring defense and third in blocked shots.

The Wildcats registered the second-most steals in program history with 374 steals in 2014-15. In addition to the 374 steals, K-State blocked 156 shots which marked the ninth time in school history that K-State blocked 100 or more shots in a season and was the fourth-most in program history for blocks in a season.

K-State was recognized for its quick turnaround, as Breanna Lewis was named to the All-Big 12 Second Team and Ashia Woods was named an All-Big 12 Honorable Mention recipient. In addition to her All-Big 12 honor, Lewis became the first player in program history to be selected to the All-Big 12 Defensive Team, as she shattered the school record for blocks in a season with a career-high 97 and set a career-high with 50 steals.

Mittie made the leap to Manhattan from Big 12-member TCU following the 2013-14 season. Mittie compiled a 303-175 (.634) record in 15 seasons in Fort Worth while exceeding the win total the program accomplished in the first 22 seasons of existence. Prior to Mittie's arrival, TCU owned a 208-402 (.340) mark. He recorded his milestone 300th victory at TCU on Feb. 19, 2014.

Prior to his tenure at TCU, Mittie pieced together a 75-42 (.641) mark in his four campaigns at Arkansas State, posting a pair of 20-win seasons and winning 17 or more contests in each of his four years with the Lady Indians. Twice his teams topped the Sun Belt Conference in grade point average as well.

Before taking over the Arkansas State program, Mittie fashioned a 76-17 (.817) mark in three years as head coach at Missouri Western. In 1995, Mittie guided the school to a remarkable 31-3 slate, which included a 15-1 conference record, and he led the club to the Division II Final Four. That squad finished the season ranked No. 3 nationally and captured both the Mid-America Intercollegiate Athletic Association regular-season and tournament championships. For his efforts, he was tabbed league and district Coach of the Year, and was among eight finalists for the national honor.

Mittie garnered league Coach of the Year honors for the first time in his career in 1994 when his Griffons posted a 29-3 overall and 16-0 league record and captured the MIAA regular-season title. His club also made a trip to the NCAA Elite Eight. Before assuming the head coaching duties, Mittie served one season as assistant basketball and baseball coach at the school.

A native of Blue Springs, Missouri, Mittie earned his undergraduate degree in sports management from Missouri Western in 1989 and his master's in sports management from the United States Sports Academy in Mobile, Ala., in 1992. Katie Falco is in her second season on head coach Jeff Mittie's staff, serving the program as the director of player development and branding.

Falco is responsible for a number of duties within the program including: creation of recruiting itineraries, recruiting mailings and correspondence, on-campus recruiting logistics, player relations including player wellness and USA Basketball liaison. She also is responsible for K-State's non-conference scheduling and will also assist in game preparation and scouting.

Falco comes to Manhattan after five seasons as the head women's basketball coach at Lindenwood in St. Charles, Missouri. Falco was at the helm of the program as it transitioned from NCAA Division II to NCAA Division I. In her five seasons with the Lions, Falco compiled a 64-66 overall record and guided the program to the NCAA Division II Central Regional in the 2018-19 and 2019-20 seasons.

During Lindenwood's final season as a Division II program in 2021-22, Falco led the program to an 11-16 record, including an 8-11 mark in Great Lakes Valley Conference (GLVC) play. Under Falco, former Lion Julia Ruzevich put together arguably the best season in program history, collecting two All-America awards, earning GLVC Player of the Year and was named the GLVC Richard F. Paragon award winner, which recognizes the league's top female athlete of the year.

During a GLVC-only season in 2020-21 due to the COVID-19 pandemic, the Lions finished 11-9. Lindenwood was one of the top teams in the GLVC inside the paint defensively, finishing first in blocked shots (94), blocked shots per game (4.7), rebounds per game (40.1) and rebound margin (7.5). Under Falco's tutelage, three Lions secured All-GLVC accolades and three student-athletes received GLVC Player of the Week honors. Ruzevich, a first-team All-GLVC selection and two-time GLVC Player of the Week. In the classroom, the Lions collected GLVC Team Academic All-Conference honors, and 12 student-athletes collected Academic All-GLVC honors.

The 2019-20 season saw continued success for the program, as the team finished 19-9, with a 14-6 mark in the GLVC. Falco helped formulate one of the top offenses in the conference, as Lindenwood finished second in scoring offense (77.6 ppg).

With Falco's guidance in 2019-20, players enjoyed record-setting seasons, with Kallie Bildner becoming the school's career points leader, en route to a unanimous All-GLVC First Team selection. Devin Fuhring and Lindsay Medlen also excelled under Falco, as both players were second-team All-GLVC honorees. The team was selected to play in the NCAA Division II Championship Tournament as an at-large pick, marking the second-straight season Falco led the Lions to the postseason.

In Falco's first season as head coach of the Lions, the team finished 21-8, which was the most wins for Lindenwood in the NCAA-era. Additionally, Falco oversaw the development of Kallie Bildner, as she finished the year as a D2CCA All-Central Region selection. In conference games, the Lions were 14-5, earning the three seed in the MIAA Conference Championship and placing three players on All-MIAA teams. Though the Lions fell in the MIAA Championship, Lindenwood received an at-large bid to the NCAA Central Regional, the first at-large bid in program history. The Lions finished the season with a .470 field goal percentage, a Lindenwood NCAA record and the seventh-best mark in Division II during the season. Lindenwood also finished eighth in the NCAA with a 9.4 rebounding margin. In the classroom, the Lions finished the year with a 3.691 GPA, seventh in the nation.

Falco came to Lindenwood after spending the previous 10 seasons as an assistant coach at South Dakota State. She helped guide the Jackrabbits to 10 postseason appearances, four Summit League regular-season titles and a 248-87 overall record.

With SDSU, Falco was responsible for recruiting, scouting and coaching the team's perimeter players. In addition to her on-court responsibilities, Falco served as the Jackrabbits' academic coordinator. In this capacity, she helped lead the team to the Women's Basketball Coaches Association (WBCA) Academic Top 25 Team Honor Roll in seven of her nine years. Additionally, the Jackrabbits finished with the nation's top GPA during the 2010-11 season.

Prior to her time in Brookings, South Dakota, Falco worked as an assistant coach at Montana State for three seasons. With her on staff, the Bobcats oversaw a program that went from three wins in 2005-06 to 18 wins in 2007-08 and an appearance in the Big Sky Conference Championship game.

In her playing career, Falco was a standout at Northern Iowa, ending her career fifth on the UNI career scoring charts with 1,343 points. A first-team All-Missouri Valley Conference (MVC) performer in 2003, she finished second in the league with 18.2 points per game, leading the Panthers to their second WNIT appearance in three years. She also set the UNI record for career free throw percentage at 82.4 percent, making an MVC-record 53 consecutive free throws as a freshman.

Falco excelled in the classroom, earning Verizon/CoSIDA Academic All-America honors in 2003 while completing a Bachelor of Arts degree in sports psychology. She pursued a master's degree in physical education at Utah State, where she served two years as a graduate assistant for the Aggie women's basketball team.

Falco is a native of Solon, Iowa, and she and her husband, David, are the parents of Dominic, Jillian, and Sullivan.

TAYLOR'S TROPHY CASE

- 2012 NACDA FCS Central Region AD of the Year
- 2012 Blue Key Honor Society Doctor of Service Award (NDSU)
- 2008 NACDA FCS Central Region AD of the Year

The last two years could go down as one of the most successful periods in K-State Athletics history as Gene Taylor's program has taken the college athletics world by storm. Team championships, individual titles, postseason runs, record crowds, continued academic success and new facility enhancements have all been the cornerstone of recent Wildcat success.

The 2023-24 campaign was highlighted by a Super Regional berth for Pete Hughes' baseball team, just the second time in program history that the Cats have won a regional and advanced to the supers, a Pop Tarts Bowl win for Chris Klieman's football team and a women's basketball season that saw the Wildcats rise to as high as No. 3 in the national rankings before hosting the 2024 NCAA First and Second rounds in Manhattan. Jason Mansfield's first season leading the volleyball program included record crowds in the new Morgan Family Arena and numerous wins over Top 10 opponents.

That all came on the heels of Klieman's football team winning the 2022 Big 12 Championship and playing in the Allstate Sugar Bowl, and Big 12 Coach of the Year Jerome Tang and his men's basketball squad making a remarkable run to the Elite Eight following a preseason poll that picked the Wildcats to finish last in the league. Both coaches were hired at K-State by Taylor, who was also named the 2022-23 Cushman & Wakefield FBS AD of the Year following a record year.

A former member of the College Football Playoff Selection Committee and current member of the LEAD1 Board of Directors, Taylor was named the Director of Athletics at K-State in April 2017. During his tenure K-State has seen the football program qualify for five bowls and win the 2022 Big 12 Championship, the men's basketball team win a Big 12 Championship, earn an Elite 8 appearance and advance to two NCAA tournaments, the baseball team win the Fayetteville Regional and the women's track and field team win back-to-back Big 12 Outdoor championships.

Additionally, Taylor and staff have fundraised and implemented a department-wide facility master plan that benefits all Wildcat teams including the newly completed Indoor Track and Field Complex, the new Morgan Family Arena for volleyball, Morris Family Olympic Training Center and the Shamrock Practice Facility for football.

Taylor, who named the eighth-best Athletic Director among

FBS programs by Stadium in 2020, has implemented a strategic plan for the department which places an emphasis on the student-athlete experience, while his leadership in navigating the COVID-19 crisis, in addition to enhancing the department's already-strong diversity and inclusion program, has been well documented.

With the support of fans and donors, K-State Athletics has also continued to be financially self-sufficient and does not receive support from the university. In FY 2019, a year earlier than anticipated, the program ended the practice of receiving student privilege fees in support of the program. This move makes Taylor's program one of eight across the country to operate with no direct or indirect university and student funding or state support.

K-State Nation continues to support the athletics program in unprecedented fashion as overall pledges and cash gifts to the department during the 2024 fiscal year totaled $36.9 million, of which $26.1 million was designated for the Ahearn Fund annual giving program. Included in the $26.1 million in annual giving was a department record $1.1 million raised during the Powercat Auction.

Hiring and retaining top coaches is also a critical function of the program. Taylor hired Klieman to replace hall of fame coach Bill Snyder after winning four national titles in five seasons at North Dakota State, and in year four led the Wildcats to a Big 12 Championship. Taylor also hired Tang to lead the men's basketball program, Jordan Smith to take over the tennis program and Hughes in baseball, who took the Wildcats to just their second Super Regional in school history. Mansfield had a banner first year on the volleyball court as record crowds saw his squad knock off three Top 10 opponents at home. Stew Burke, in his first season in 2023-24, catapulted the women's golf program up the national ranks and narrowly missed on qualifying as a team for the NCAA Tournament in year one. The newest Wildcat is Travis Geopfert, who was hired in July to replace legendary track and field coach Cliff Rovelto after 36 years in Manhattan.

Graduating student-athletes remains the top priority for the department and academic success has continued under Taylor's guidance as K-State continues to rank among the top schools in the Big 12 in APR and graduation success rate.

Taylor is a 1980 business management graduate of Arizona State, and he received his master's degree in sports administration in 1985 from St. Thomas University in Florida. He worked in the ticket office at Southern Methodist University in 1985-86 before joining the Naval Academy. His tenure at Navy included serving as the commissioner of the five-team Collegiate Sprint Football League that includes Army, Navy, Penn, Princeton and Cornell. He served 13 years as Athletics Director at North Dakota State before being named Deputy AD at Iowa in 2014.

Taylor and his wife, Cathy, have a daughter, Casey, and a son, Jared.

• Against Oklahoma on January 23 in Bramlage Coliseum, Lee broke the NCAA Division I women's basketball record for points in a single game with 61 points on 23-of-30 (.767) shooting and 15-of-17 (.882) from the free throw line. The 61 points surpassed the original NCAA Division I record of 60 set by Cindy Brown (Long Beach State, 1986-87) and Rachel Banham (Minnesota, 2015-16). Lee's point total broke the Big 12 record for a single game by 11 points (50, Brittney Griner, 2012-13) and set the record for points against a ranked opponent breaking the previous mark of 53 by Sheryl Swoopes in 1993.
• As part of the 61 points, Lee scored 32 points in the first half including 20 in the second quarter. She set the school records for points in a half and points in a quarter. She is the first player in school history with 30 or more points in a half and the first player to score 20 or more in a quarter. 1906
Women's Baskteball Team

Even though the present women's basketball program at Kansas State began intercollegiate play in 1968, the roots go back much further. Julius Terrass Willard, a chemistry professor from 1901-1944, penned this account shortly after his arrival at the school, explaining how the game took hold at the Kansas State College of Agriculture and Applied Science. His account states that young women were the first students to begin playing the popular game in the spring of 1901.

Willard writes that several hundred people witnessed the first public basketball game at K-State on May 25, 1901 as the "Purples" took on the "Reds." The Purple team, consisting of team captain Frances McCreary, Gussie Griffing, Bessie Mudge, Cora Baird and Mable Stevens, scored a 9-2 victory over the Red team of captain Anna Summers, Myrtle Toothaker, Esther Hanson, Laura Ware and Olive Dunlap. Gertrude Williams, director of physical training at K-State, refereed the game.

Women continued to play basketball in the women's gymnasium, but it was announced on campus that they would not be allowed to play any more games outdoors. Furthermore, only immediate friends and families of the participants were allowed to attend. Interclass competitions were played, and at one point, the freshman team challenged the female members of the faculty. The freshman team came away with a resounding 46-4 victory over their instructors. In November of 1902, the young women asked for permission to play intercollegiate games, but the faculty turned down their request "on a close vote."

Over the next few years, groups of faculty members continued to use the women's gymnasium to play basketball, but according to Willard, "blacked eyes and other casualties and possibly other considerations, prevented any excessive development of the sport in the faculty."

The faculty's decision did not keep students from continuing to play basketball. Women continued to join intramural teams through the physical education program and compete between classes and sororities for the college championship. In fact, the 1921 Royal Purple reported that the women's game continued to grow in popularity and "almost 200 tried out for places on class teams. The class games were well attended, and a large amount of interest shown by others than the girls playing." However, it wasn't until the 1968-69 season that women's basketball was added as an intercollegiate sport.

NCAA RULES & REGULATIONS

Dear Wildcat Alumni and Friends,

The support and loyalty of our fans is a cornerstone of the K-State Athletic Department. We truly appreciate your outstanding support. As dedicated fans, you must be committed to compliance with the rules and regulations of the NCAA and the Big 12 Conference.

Under NCAA regulations, K-State is held responsible for the actions of our boosters. "Representative of Athletic Interest" boosters may not engage in any recruitment activities or provide any benefits or privileges to prospective or enrolled student-athletes. This informational page has been developed to assist in the continuing education of our K-State family.

Please carefully read the information that is provided on this page. The K-State Athletic Department is proud to have your loyal support and continued interest in its athletics programs. As we strive for a model intercollegiate athletics program, we must always maintain the highest standards of ethical conduct and integrity. With your assistance and cooperation, we believe we can accomplish our goals.

If you have any questions about various rules and regulations, please do not hesitate to contact the Athletics Compliance Office.

Your cooperation, compliance and support are greatly appreciated.

Sincerely,
Gene Taylor, Director of Athletics

Name, Image and Likeness
The NCAA has adopted a policy permitting student-athletes to profit from commercial activities using their name, image and/or likeness. The parameters for such activities are that the activity must be in return for services, commensurate with market value and follow the K-State athletics policy. Payment to a student for a student-athlete choosing to attend K-State, being a member of a K-State athletics team or for performance during competition remains impermissible. For more information on NIL at K-State please visit our website: https://www.kstatesports.com/sports/nil.

Are you a "Representative of Athletics Interests" (booster)?
Under NCAA rules, K-State Athletics is responsible for the actions of its representatives and subject to penalties for any violations stemming from representatives' actions. A 'representative' of K-State's athletics interests is any individual who is known (or who should have been known) by a member of K-State's athletics administration to:
• Have participated in or are a member of an agency or organization promoting K-State athletics; (e.g. Catbacker Club)
• Have made financial contributions to the athletic department or to an athletic booster organization of K-State; (e.g. Ahearn Fund donor)
• Have been involved in otherwise promoting K-State's athletic program; or
• Bought or received season tickets to a K-State athletics event.

Definition of an Extra Benefit?
An extra benefit is any special arrangement by an institutional employee or representative of the institution's athletics interests to provide a student-athlete or the (student-athlete's relatives or friends) with a benefit not authorized by NCAA legislation.

You can NOT provide any of the following to a student-athlete or their relatives, family or friends:
• Special discounts on shoes, clothing, or other items
• Use of an automobile or transportation of any type
• Rent-free or reduced-cost housing for any length of time
• Entertainment (e.g., cash, or use of your home or other items of value, tickets to an athletic, institutional or community event)
• Gifts or free or reduced cost services such as laundry, haircuts, and legal fees
• Awards, gifts of any kind, or compensation for a student-athlete's tickets
• A loan of money or co-signing a loan
• Preferential treatment of items/services not available to K-State students or the general public.

This is not an exhaustive list. If you have any questions about what you can and cannot do for a student-athlete, please call the Compliance Office before you provide any item or service so we can protect our student-athletes' eligibility.

Employment of Student-Athletes
Student-athletes may be employed by representatives of athletics interests provided their compensation is only for work actually performed and commensurate with the going rate for the job they are performing.
Such compensation may not be based on the value the student-athlete may have for their employer because of the publicity, reputation, fame or personal following associated with their athletics ability.

Who is a "Prospective Student-Athlete" (recruit)?
The NCAA defines a prospective student-athlete (prospect) generally as any student who has started classes for the ninth grade (regardless of whether K-State is recruiting that individual). An individual remains a prospect until one of the following occurs:
• The individual officially registers and enrolls in full-time and attends classes in any regular term during K-State's academic year;
• The individual participates in a regular squad practice or competition at K-State that occurs before the beginning of the academic term (e.g., football, volleyball, or soccer in the fall); or
• The individual officially registers, enrolls and attends classes during the summer prior to initial enrollment and receives athletics aid.

Recruiting and Contact Rules for Prospective Student-Athletes
Only coaches and athletic staff members are permitted to be directly or indirectly involved in the recruitment of prospects. All representatives of the university who are not members of the athletic department staff are prohibited from contacting a prospect by telephone, in person (on or off campus), or in writing (including use of social media) for the purpose of encouraging his/her enrollment and or athletics participation at K-State. In addition, it is not permissible for Representatives to entertain high school, preparatory or junior college coaches who may have a recruit considering K-State Athletics. If there is a prospect in your area you may attend his/her games and/or make the K-State coaching staff aware of the prospect.

Preferential Treatment & Established Family Relationships:
NCAA rules and regulations concerning contact with prospects are not intended to affect established family relationships that pre-date an individual becoming a prospect. You should feel free to continue these relationships and remember that contact is permitted as long as it is not made for recruiting purposes and any benefits provided are the same as were provided prior to the individual becoming a prospect. However, please keep in mind that student-athletes are not permitted to receive preferential treatment, benefits, or services based on their athletics reputation or pay-back potential as future professional athletes.

Questions?
Please contact the athletics compliance office at (785) 532-3990.

Please be advised that regularly scheduled interview days may not be conducted due to team travel.

Game day interviews during shootarounds or prior to tip-off are not permitted unless request is affiliated with the television network broadcasting that day's game. See 'Postgame Policy' for additional information.

WORKING CREDENTIALS

The K-State Athletics Communications Office should receive all credential requests no later than five days prior to the specified game. Requests can be made via e-mail to Randy Peterson (rpeterson@kstatesports.com).

Because of mail service, media passes will not be mailed in most instances. If this is the case, passes may be picked up at the Hilton Garden Inn front desk (410 S 3rd St.). Individuals picking up credentials will be required to furnish positive identification. All credentials are non-transferable and are issued based on K-State's credential policy.

Admission to the press section is for working media only. Only media members with official K-State credentials will be admitted.

The media tables are located at the bottom of section 25 near the tunnel of Bramlage Coliseum.

Note: Friends, spouses and children are not welcome in the press area.

PRESS PARKING

Press parking is located on the east side of Bramlage Coliseum near the Ice Family Basketball Center and will be provided upon request on a first-come, first-serve basis as available. A parking pass must be requested two days prior to the scheduled game. Contact the K-State Athletics Communications Office regarding details and directions to press parking areas and the location to pick up the parking pass.

VISITING RADIO

To inquire about using existing radio courtesy lines, visiting radio stations should contact Ben Boyle, General Manager of the K-State Sports Network. He may be reached at 785-532-1000. Only those stations recognized as the official originator for the visiting team will be afforded broadcast facilities. Visiting team radio personnel will be seated next to their respective team bench on the south end of the scorer's table with a maximum of three seats available.

Only accredited photographers on assignment from recognized media outlets will be issued baseline credentials. In accordance with NCAA rules, no freelance photographers will be admitted courtside. All photographers must have a media pass to shoot inside Bramlage Coliseum. Flash photography is prohibited.

WEBSITES

K-State reserves the right to deny media credentials to any individual whose website is not affiliated with an official news-gathering organization or publication. Credentials will be issued to official online services of national, over-the-air or cable networks or established publications which are staffed by full-time employees (i.e. ESPN.com, SI.com, CBS Sports, etc.) and then with a maximum of one credential.

Credentials will not be granted to any online agency operating sites that are in any way affiliated with gambling, or to "freelance" or "fan-based" sites that are not affiliated with a legitimate news gathering organization. Membership in a writer's association (i.e. USBWA) does not automatically qualify an agency for credentials.

Additionally, online services are prohibited from "real time" (also known as "cybercast") transmission of all K-State Athletics events. Those rights are co-owned by Kansas State University, the Big 12 Conference and Learfield Communications.

POSTGAME POLICY

K-State's locker room is closed. Media on press row will be asked to submit a list of player requests to Director of Women's Basketball and Soccer Communications Randy Peterson during the last 5 minutes of the game. Coach Mittie and requested players will be available in a designated postgame interview room located at the top of the Bramlage Coliseum tunnel. The visiting team coach and selected players will be made available in the designated interview room prior to K-State.

Those interested in audio-taping grouped interviews should connect their recorders to the distribution amplifier (mult box) provided. Output from the device is microphone level, terminated in 1/80 two-conductor plugs and jacks, or three-pin standard microphone male connectors.

MEDIA ROOM LOCATION

The Seaton Media Room in Bramlage Coliseum is located to the right of the tunnel when exiting the floor on court level. Work space is provided in the room with official media guides, game notes and flipcards available prior to the game. Complete statistics, will be available at halftime and immediately following the game. Final books will be distributed to the designated postgame interview room, media room, press row and both locker rooms. A pregame meal is served to the working media 90 minutes prior to the game in a room located at the top of the south tunnel in Bramlage Coliseum.

Walters is entering his 20th year as K-State's sideline reporter and host of the K-State Sports Network pre- and postgame show for K-State football. He also serves as an analyst for a portion of the men's basketball broadcasts on the K-State Sports Network.

A 1992 graduate of Kansas State and native of Russell, Kansas, Walters spent 20 years at Manhattan Broadcasting before going to work for Manhattan's Commerce Bank from 2014-24 as a Vice President/Commercial Product Specialist.

In addition to being named the Kansas Sportscaster of the Year by the National Sportscasters and Sportswriters Association (NSSA) in 2013, Walters also received the prestigious Oscar Stauffer Sportscaster of the Year in 2005. He and his wife, Janelle, live near St. George.

ANDERSON HALL

KANSAS STATE UNIVERSITY

K-State was established in 1863 as the nation's first operational land-grant university. As such, the university's mission has always been rooted in the principles set forth in the Morrill Act: to provide teaching, research and service to the citizens of Kansas and beyond. K-State is governed by the Kansas Board of Regents.

In the fall of 2023, K-State launched its next-generation land-grant university strategic plan. Building on our foundation, we will once again lead the way as the next-generation land-grant university — operating as a future-focused, inclusive and connected community that inspires discovery, creates prosperity, impacts society and transforms lives in Kansas and beyond.
